

Why the Old Ways of Meeting People is more than outdated!

Let's be honest modern dating and networking have gotten messy. **Endless swiping, forced small talk, awkward mixers, and the constant "What's next?" pressure.** It's exhausting. And for **great minds like you**, it's not just about meeting people; it's about **real connections** without all the extra noise.

"We wanted to create something that brings back the joy of simply sharing a meal with someone new without pre-disposed expectations, just a great time," [Joe Philips].

That's exactly why **JustDinner is here.** No hidden agendas. No awkward vibes. Just good food, great conversation, and a refreshing way to meet **like-minded people.** Think of it as the **dinner party you actually want to be at.**

Whether you're looking to expand your circle, meet interesting people, or just enjoy a no-pressure night out, we've got you covered.

How It Works: The 5 Clicks to Dinner!

Forget long forms and endless setup. JustDinner makes **it** fast, simple, and real:

1. Sign Up & Set Up –No fluff. Just a quick profile.
2. Find Your Dinner Guest – If you're a **HOST**, scroll the feed and pick someone who looks interesting.
3. Pick the Place & Time – Favorite restaurant? Great. Got a set date/time? Even better.
4. Offer a Ride – Want to be a top-tier **HOST**? You can preset a ride for your **GUEST**.
5. Confirm & Go Eat – If you're a **GUEST**, just say yes and show up. That's it.

Why JustDinner?

Because meeting people should be easy. If you miss the days when grabbing dinner with someone new was as casual as saying, "Hey, let's eat," then JustDinner is for you.

Ready to Make Dinner Plans?

Jump in. **Host a dinner. Accept an invite.** And most importantly eat. Because food is better with company.

Whether you're new in town, a foodie looking for company, or just someone who enjoys good conversation, JustDinner makes it easy.

The app is now **live and ready for download**
